

Suitable for Miyota Movt. cal.

1. To Set the Main Hour and Minute Hands

Pull out the crown to the second click. Turn clockwise to set the main hour and minute hands.

MAIN HOUR & MINUTE HAND

2. To Set the Day

Pull out the crown to the second click. Turn clockwise to set the day. (There is no quick setting to adjust the day. Need to set it day after day by adjusting hour and minute hands)

3. To Set the Date

Pull out the crown to the first click. Turn anti-clockwise to set the date.

4. To Set the Small Hour Hand

Small-hour hand moves along with the main-hour hand correspondingly.
